

Waterloo PTA:
Building Bridges and Connecting Communities
PTA Direct Donation Information

The Waterloo PTA is proud to help support many programs at Waterloo Elementary School. PTA funds provide educational activities for our students, family activities such as our Italian Dinner and Spring Carnival, and school enrichment support. All of these activities help Waterloo be “WILD ABOUT LEARNING”!

There are many ways to contribute to the PTA. You can show your support by becoming a PTA member, by volunteering to help with PTA activities and programs, and by participating in our fundraisers, such as the Yankee Candle sale, restaurant nights and Silent Auction. You can also make a **direct donation** to the PTA and financially support PTA-sponsored programs without participating in fundraising efforts.

We welcome your involvement in any or all of these efforts to support our school community. Your participation and contributions are completely voluntary and very much appreciated!

To participate in the Direct Donation option, please complete the form below and return it to your child’s teacher.

Waterloo Elementary School
PTA Direct Donation 2009-2010
